### Project: CONTORA Office Solutions, Frankfurt

CONTORA Office Solutions offers premium office facilities in the best locations and cities in Germany. The offices and meeting rooms can be booked by the day or longer. Clients are greeted by an exceptional ambience distinguished by exquisite materials and tasteful accessories.

The new office center on the 18th floor of the TaunusTower in Frankfurt, opened end of 2015, was planned and implemented in close cooperation with RENZ. The offices were custom designed and furnished with the sophisticated Size desk line. For the meeting and conference rooms up to 25 seats, the client decided for the Tune program. The interior was complemented with Site credenzas and Lane counters.
