Invitation to Orgatec 2016 in Cologne

Visit us at the Orgatec October 25th to 29th 2016. Let us surprise, inform and inspire you. You will find us in hall 10.2 stand Q20 / P21.

Paper. Aesthetics, purism and lightness, along with first-class materials and highest-quality production, characterise the new desk programme Paper by RENTZ. Unique design elements are the slender, seemingly lightweight desktop and the slender table legs - precise as folded paper. Paper is a product of the Jehs and Laub design studio in Stuttgart.

We look forward to see you.

On our website you will find the latest news about our company and networked information about our products and current references. [Here](#) you get further informations about the RENTZ Programmes.
